

Password Reset for a Student to Login

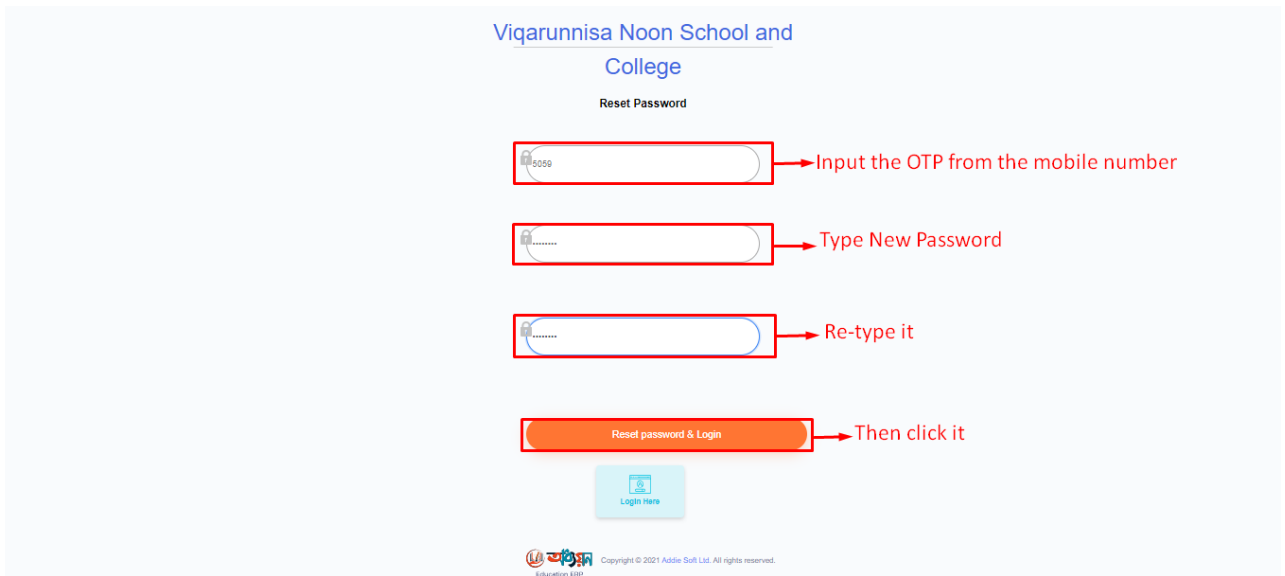

Step-1

Click on Forget Password.

Step-2

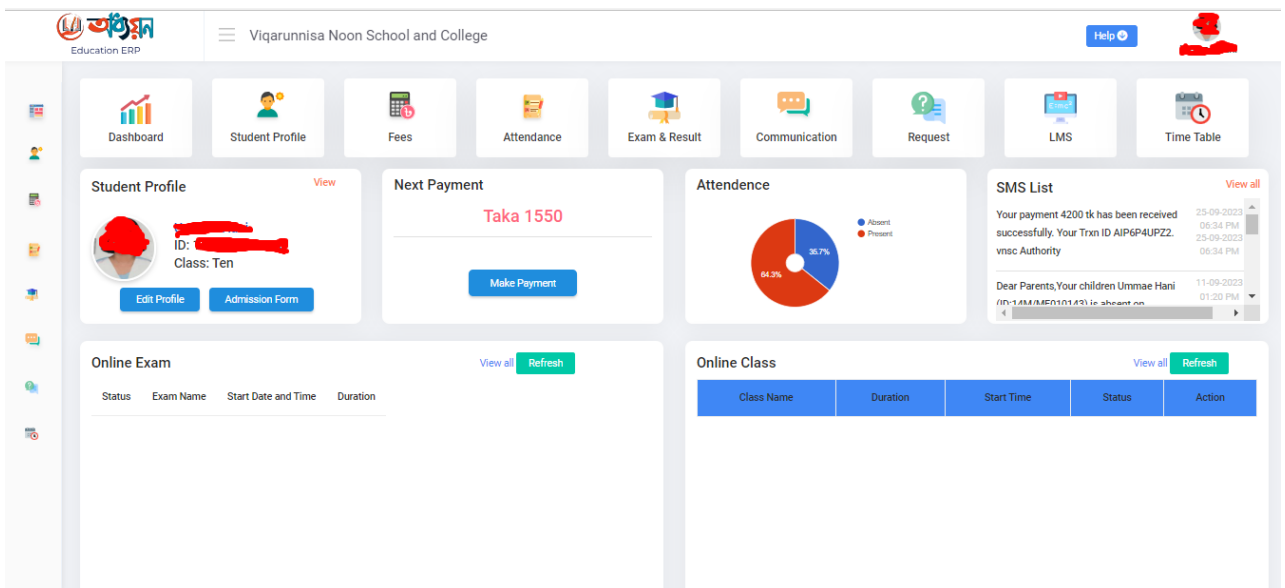

Now Enter Student ID and SMS Notification number (Which number is given to the school for notification). Then Click on Send OTP. The OTP will be sent to the number.

Step-3

Now Enter OTP. Then New Password. Confirm it in the 3rd box then click on Reset Password and Login.

Step-4

Now you are logged in to your portal. From now you will be logged in with this new password and ID.

Thank You
